
MIXUP QUILTING WALKING FOOT & HAND QUILTING WORKSHOP

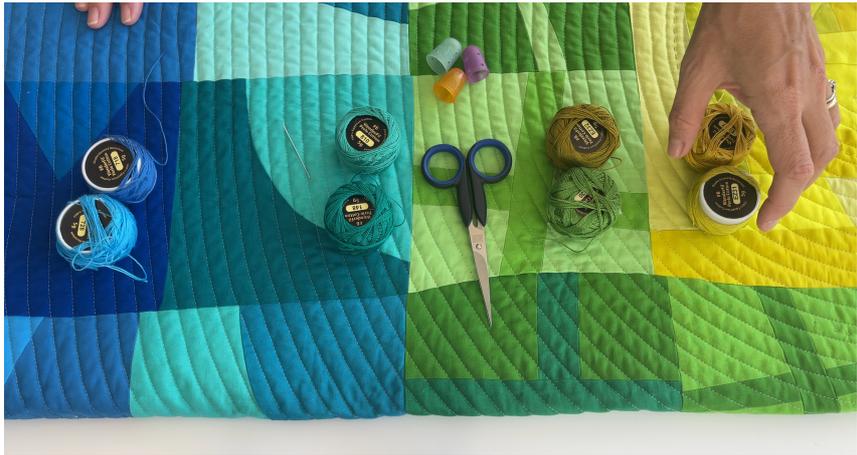

In this class the attendees will learn how to mix Walking foot quilting with hand quilting, two beautiful techniques to finish their quilts. Here you will find the Supply list and the pre-work that you need to do before the class. If you have any question, don't hesitate to send me an email to Carolina.oneto@gmail.com

Materials Needed

- Six sandwiches already basted with your preferred method (hand basting, pins or glue spray) . In the next section I will explain the details about these 6 sandwiches.
- For Walking foot quilting:
 - Sewing machine
 - Walking foot
 - Thread for walking foot quilting (I use Decobob from Wonderfil Specialty Threads) I recommend you to use a contrasting thread with your fabric.
 - Hera marker or any Fabric marker (erasable) that you like.
 - Quilting ruler (to mark a grid on your sandwiches)
- For hand quilting
 - Perle cotton #8 (I use Stravaganza from Wonderfil Specialty Threads in many different colors, but you can choose to use just one color)
 - Scissors
 - Metal or plastic pushing thimble
 - Rubber gripper
 - Milliners needles (I use Dritz Milliners)
 - 1 compass

Homework before the class.

For this class you need to prepare the mini quilts that we are going to use for practice. You need to prepare these sandwiches in the same way that you baste your quilts (Top fabric + batting + back fabric) I just use a solid white fabric for this and a 100% cotton batting.

For quilting these samples you need to use your walking foot, I recommend you to use the same thread in the bobbin and needle. Use a stitch length between 2.8 - 3.0.

If you have never use the walking foot, in the links below you can learn more.

Don't worry if your quilting is not perfect for the class, during the time that we will be together, we will discuss about walking foot quilting and I will show you all my tricks.

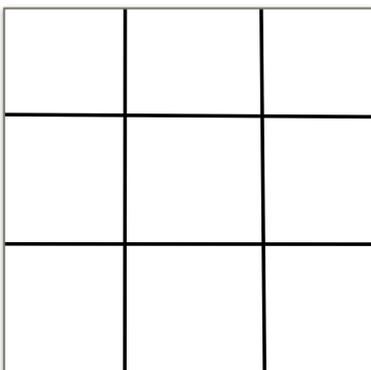

SANDWICH 1

- A 13" x 13" square
- With your walking foot, quilt a 5 x 5 grid, the space between every line must be 2 1/2".
- First, mark the lines in your sandwich with an Hera marker or an erasable pencil.
- Second, quilt the grid, first all the lines in one direction, and then all the lines in the other direction.

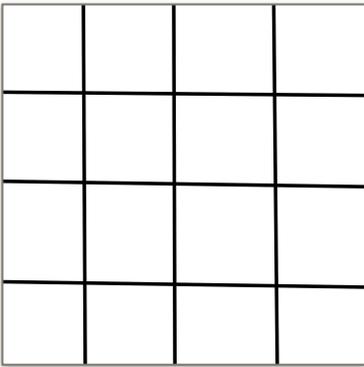

SANDWICH 2

- A 11" x 11" square.
- With your walking foot quilt a 3 x 3 grid, the space between every line must be 3 1/2".
- First, mark the lines in your sandwich with an Hera marker or an erasable pencil.
- Second, quilt the grid, first all the lines in one direction, and then all the lines in the other direction.

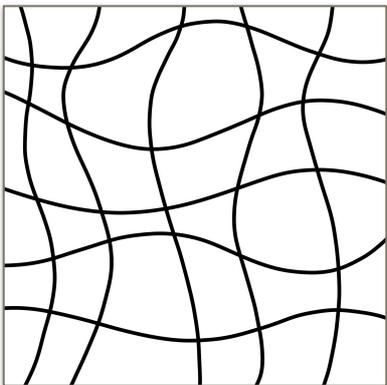

SANDWICH 3

- A 11" x 11" square.
- With your walking foot quilt a 4 x 4 grid, the space between every line must be 2 1/2".
- First, mark the lines in your sandwich, with an Hera marker or an erasable pencil.
- Second, quilt the grid, first all the lines in one direction, and then all the lines in the other direction.

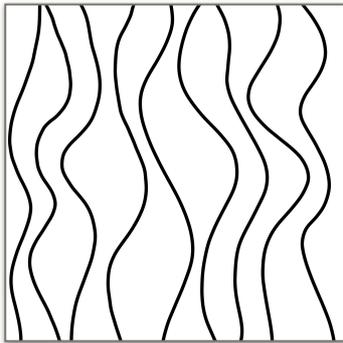

SANDWICH 4

- A 10" x 10" square.
- With your walking foot quilt a 6 x 6 grid, try to space every line about 1 1/2"
- Quilt the grid with soft wavy lines , first all the lines in one direction, and then all the lines in the other direction.

SANDWICH 5

- A 10" x 10" square.
- With your walking foot quilt approximately 10 to 12 soft wavy lines, try to space every line about 3/4" to 1"
- Quilt Just in one direction

SANDWICH 6

- A 10" x 10" square.
- With your walking foot quilt approximately 20 soft wavy lines, try to space every line about 1/2"
- Quilt Just in one direction. (Here the wavy lines cross each other)
